

GUIDANCE NOTES

INTRODUCTION

Delfina Foundation is a non-profit organisation dedicated to facilitating artistic exchange and developing creative practice through residencies, partnerships and public programming.

With support from Delfina Foundation's Network of Asia Pacific Patrons we welcome applications from contemporary visual artists from Thailand for a residency in London. This residency will take place during Delfina Foundation's spring residency season 2025 which runs from 31 March - 22 June 2025.

Each year, Delfina Foundation runs four three-month residency seasons. These residency seasons are dedicated to 'open' independent research or to '[thematic](#)' collective research around a specific issue or idea. This residency will take place during our 'open' spring 2025 season.

RESIDENCY ACTIVITIES

Alongside gaining time and space to develop their work, all seasons of Delfina Foundation residencies offer a programme that includes:

- Guided visits to museums, galleries, non-profits, artist-run spaces and studios, as well as trips to institutions outside London;
- Opportunities to meet and engage with artists, curators, academics and researchers through organised presentations, studio visits, events and meals;
- Professional development activities including presentations and crits, portfolio reviews, and mentoring activities to strengthen the artistic practice; and
- Collaborative exchange between residents through informal gatherings and meals.

FREQUENTLY ASKED QUESTIONS

Can duos or collectives apply?

Generally, it is difficult for us to host residencies with collectives, given the resources and space required to host them. Our accommodation comprises of eight single rooms. We recommend that collectives or duos who wish to apply put forth one member to represent them in-residence if they are prepared to work in such a way.

Can the partners, children, dependents or pets of international residents be accommodated?

Delfina Foundation is a communal residence with limited space. Over the years we have discovered that the nature of our accommodation, as well as our intensive programmes, does not suit non-participants or pets/ESAs being resident on-site. If it is essential that a selected international programme participant be accompanied for part or all of the residency they will need to organise their own accommodation during this time. If you have specific questions, please email opencall@delfinafoundation.

How can specific access support be attained?

Delfina Foundation has always welcomed applicants from all backgrounds, including D/deaf, disabled and neurodivergent artists and others who have specific needs. We are open to discussing how our residencies can be adapted to meet the needs of the applicants that have been selected for a residency. If you have specific questions in advance of applying, regarding your access requirements with respect to the application process itself, the residency programme, and/or the Delfina House, where residents live and work, please email our Director of Operations Gillean Dickie on gillean@delfinafoundation.com, with the subject line: 'Open call: access'.
